Share the power of a wish®

by contributing an item to our silent auction!

- The mission of the Make-A-Wish Foundation is to grant the wishes of children with life-threatening medical conditions and to enrich the human experience with hope, strength, and joy.
- Make-A-Wish provides wish children and their families with a much-needed break from the world of hospitals, harsh treatments, and medical bills by creating a time of magic, wonder and optimism.
- The Central California chapter, celebrating its 25th anniversary this year, grants wishes in eight Valley counties and to date has granted more than 1,400 wishes.
- The average cost of a wish is \$5,000-\$6,000 and the Foundation is funded solely through private donations. We never turn away a medically qualified wish.
- All funds raised in the Central Valley stay in the Valley.
- The number of brave boys and girls wishing and waiting has never been greater. If you can help our mission by donating an auction item, know that your thoughtfulness will be remembered for a lifetime.

Gregory M., age 7, Disney World

“I give my God all the praise for my son. I give the medical field all the thanks for helping cure my son of the illness, but I give Make-A-Wish all the credit for healing his spirit.”
